

Certificate of Analysis

GENOVIS

Issued July 2026

Product Name	GlycOCATCH™ resin
Product Lot Number	G1OC6-18G03R
Product Composition	Highly cross-linked agarose resin with GlycOCATCH™ protein for affinity purification
Manufacturer	Genovis AB
Storage Temperature	+4-8°C

TEST	SPECIFICATIONS	RESULTS LOT
Appearance	White/yellow suspension	Pass
Binding capacity of desialylated etanercept/50µl resin in 30 min at room temperature	≥ 50 µg	Pass
Bioburden*	0 cfu/vial	0 cfu/50 µl resin
Production Date		July 2025
Retest Date		July 2027

* Tested on Dextrose Agar, Fluid Thioglycollate Medium and Blood Agar.
