

Certificate of Analysis

GENOVIS

Issued April 2018

Product Name IgGZERO® 5000u
Product Number A0IZ1-050
Product Lot Number A0IZ1-12I02E
Product Composition 5000u of IgGZERO® 5000u, endoglycosidase for antibody deglycosidation, as lyophilized powder.
Manufacturer Genovis AB
Storage Temperature -20°C

TEST	SPECIFICATIONS	RESULTS LOT
Appearance	White to light yellow powder	White powder
Purity by SDS-PAGE	≥ 95% visual estimation	Pass
Enzyme Activity by SDS-PAGE	Deglycosylate ≥ 95% of 100 µg hIgG using 100 u enzyme in 30min at 37°C	Pass
Bioburden*	0 cfu/vial	0 cfu/vial
QC Release Date		2019-10-04
Expiration Date		September 2022

* Tested on Dextrose Agar, Fluid Thioglycollate Medium and Blood Agar.
